Picasant Family Physic.

A sant to the taste, unexcelled in its a cum upon the Laver, Stemach, and general system. As an anti-bilious and alterative physic, this medicine HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of ten years in all cases where a good physic and al-terative was required, and would not now do without terative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all imperities from the system if it is properly taken. Already thousands of living witnesses are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days. It is a neger-fitting cure for Headqualities. It has cured the worst cases of Erysipelas in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kiduey Complaint, Bilious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Worms, Lumbago, Blotches on the Skin, Pinaples, Cutaneous Eruptions, Obstructions in the System, Constitution of the Bowels, Dizzines, Mercurial Diseases, Pleurisy, Fernale Irregularities, Bewel Complaints, Ulcers of all kinds, &c. I ask my friends to test the above medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained and the wooderful popularity, and its sales have increased beyond the most sanguine bopes of its friends.

DR. BROTHERS' FEMALE PILLS. DR. BROTHERS' FEMALE FILLS,
Especially Designed for Female Complaints.

The constitution always suffers more or less when my of the secretions or discharges, established by the laws of nature, are arrested or retarded; but from none does more, evil arise than from obstruction, or suppression of the menses. This is sure in time to bring on a train of complicated and obstinate discases, such as pains in the head, sack, loins, and abdamen; determination of blood to the head, and consequent dizziness, cold extremities, but especially celd feet; loss of appetits, contiveness, and general debility; Cough, Palpitation of the Heart, Hectic fc er, and Consumption. The re-establishment of the Catamental evacuation, whenever checked or suspended, is indispunsable to health, and the continuance of life.

The design of these pills is the rostoration of the natural uterine secretions, by removing the causes by which they are arrested or checked, and by giv-

ing tone and health to the government; they are therefore an effectual rainedy in all cases of difficult, painful, or obstructed menses; having been used to multitudes of cases, in the private practice of the original proprietor, with singular success, in which they have proved to be of the highest value and efficacy. Price 50 cents.

they have proved to be of the highest value and efficacy. Price 50 cents.

DR. BROTHERS' DIAPHORETIC POWDERS.

These Powders form a very valuable Anodyne, Diaphoretic and Sudorific compound. They are beneficially administered in Fever, St. Anthony's Fire, or Erysipelas, Diarrhose, Dysentery, Cholera Morbus; and in all cases where an anodyne, combined with a sudorific, is required. In these diseases, it should be administered in small doses. It is also applicable to many other diseases, such as rheumatism and gout, colic, and griping pains, &c. It promotes perspiration without increasing the heat of the body, and produces a constant moisture of the skin for a great length of time, while it allays irritation and gives rest. 50 cents.

This Syrup has been proved in thousands of cases to be an unequalled remedy for Scrofula, Salt-Rheum, Mercurial, Syphilitic or Venereal, and Bruptive diseases; for Jaundice, Erysipelas, Boils, Ulcers, Rheumatism, Gout, Cutaneous Affections, or Diseased of the Skin, as Blotches, Pimples, or Pustules, and all itching Eruptions, &c. The design of this Syrup is to re-establish the healthy functions of the system, without producing any very sensible evacuation; not being intended to act particularly upon the bowelr' but directly, and with the greatest effect, upon the Blood.

I have tried every preparation used by modern Physicians, with the most distinguished and celebrated patent nostrums, now so highly extolled; as the various Pamaceas, Sarsaparilla Syrups, Balsams, and Extracts; and, after repeated trials for years, in different forms of disease, I have found that this Syrup, beyond all comparison, far exceeds them all. In Chronic Inflammation of the Liver White Swelling, Mecrosis, or Fever Seres, Rickets, Pistula, and King's Evil; in short, in every taint of the system or blood, from whatever cause it may arise, or however long standing, this medicine will be a pre-eminently superior article, and of the highest value in all cases for which it is recommended. Price 31.

DR. BROTHERS DR. BROTHERS' DIAPHORETIC POWDERS

tous cholid, rheumatism, gravel, retention of urine, painful menstruction, &c. Price 50 cents.

DR. BROTHERS'

Compound Ulmus Powders, for Poultices.

This Powder made into Poultices is the most efficacious of any of the various kinds recommended, and among all the different kinds used, I know of none which is equal to this for all inflammations, whether of the oyes, face, limbs, or other parts of the bedy—for Burns, Ulcers, Sore and Inflamed Breasts, Erysipelas or St. Anthony's Fire, Piles, White Swellings, King's Evil, or Scrofulous and Fever Sores, and Cuts, Inflamed Wounds, Carbuncies, &c. It rapidly diminishes pain, heat, swelling, and where there is any gathering of purulent matter, it promotes a free and easy suppuration. A better article of the kind is not to be found. Price 50 cents.

DR. BROTHERS' RHEUMATIC PILLS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the system, purify the blood, and thus cure the complaint. The Rheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) must be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. Price 50 cents.

DR. BROTHERS' PILLE ELECTUARY.

This preparation has been found on invaluable remedy fyr the Hemorrhoids, or Piles. It is given internally, to correct a faulty state of the bil ary or digestive organs, which produces costiveness, or a derangement of the bowels, and consequently the

derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. Again, the disease is often beyond the reach of aid from external applications, an objection to which this remedy is not liable, it being taken internally. It is perfectly safe, pleasant to take, mild and easy see in its operation, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All Healing Ointment in some very bad cases of Piles, I heistate not to assure the afflicted that it is a very valuable medicine, and an inestimable auxiliary to the Electuary. I consider it the best external application, I have ever known. The Electuary is an incation, I have ever known. The Electuary is an in-ternal remedy, and the Ointment as an external appli-cation, used in connexion, I doubt not would be ef-fectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be

in all instances any one found. Price \$1. INGREDIENTS OR POWDERS OF MAKING DR. BEOTHERS', RESTORATIVE WINE BITTERS. DR. BROTHERS', RESTORATIVE

This article has been extensively used many years by the original proprietor, in his private practice in thousands of cases in this city, (New York,) and throughout the country, with invariable success; he can, therefore, with confidence, recommend it as superior to any preparation of the kind now in use; it is admirably calculated to restore tone to the muscular fire, and thereby impart strength and gnergy to the whole system. It will be found exceedingly valuable in all cases of Debility, Dyspepsia, Pain in the Breast, Weakness of the Lungs, Nervous Complaints, and those inward complaints peculiar to females, such as Fluor Albus, or Whites, Prolapsus Uteri, or rating of the Womb, &c.

By giving tone to the digestive organs, they are peculiarly useful in Dyspepsia or Indigestion, Nervous Diseases, and are thus beneficial in removing Flatulency, &c. DR. BROTHERS' Ni UTRALIZING MIXTURE, Vor Discrete, Choicera Moriou, and Summer.

For Diarrhaa, Cholera Morbus, and Summe Complaints of Children.

For Diarrhea, Choiera Morbus, and Summer Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Stomach, or removing the morbid or acrid secretions of the Liver, which are the exciting causes of bowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuations from the bowels, at the same time acts as a gentle natringent. Hence it will be found a very superior and valuable remedy, in both acute and chronic diseases of the bowels, in Diarrhea, Dysentery, Choiera Morbus, and Summer Gomplaints of Children. In allithese complaints the liver is usually more or less affleted, the stomach in an irritable, and the bowels in an infamed condition. This medicine is most effectual in refleving all these organs, restoring the tota and natural functions. Among all the numerous remedies for these discusses, some of which are strongly recombineded, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of all. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

27 All my medicines are put up under my own personal supervision, and the public are assured that they are prepared of the best imported vegetable ingredients, and can be obtained only at our office, No. 12 South B street, opposite Smithsonian Institution, a here they have done a large and successful practice for the last six years, in the freatment of all Chronic Diseases, and those diseases produced by the Old School Mineral Physicians, by the indiscriminate use of Meroury, Arsenic, Antimony, &c. Many troubled with ringing in the cars and head when asleep, great nervousness, being alarmed at sudden soulder, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A Certain Disease.

When the misguided and imprudent votary of pressure bads he has imbibed the seeds of this painful disease, a too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to these who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their apperance, such as ulcerated sore throat, diseased nose, nothernal pains in the head and limbs, dimness of sight, deatness, nodes on the shin bones and arms, blotches on the head, face, and extrematics, progressing with frightful rapidity, till, at last, the palate of the month or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts aperiod to his dreasful sufferings by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the more inviolable secrecy; and, from his extensive pracue in the first hospitals in Europe and America, he case onfidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victual to this dreadful complaint, owing to the unskilaness of ignorant pretenders, who, by the use of instability poison, mercury, ruin the constitution, and either send the unfortunate sufferer to an unumering either send the unfortunate sufferer to an unumeri

either send the unfortunate sufferer to an unumery grave, or cise make the residue of life miserable.

Should reflect that a sound mind and body are the most necessary requisites to promote communial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

TISTIMONY FROM NORTH CARCLEMA. O. I. Certificate of Dr. W. Smith, of Pine Him, Rick mond County North Carolina.

Prin Him, March 4, 1854.

Dana Sin: I have been a subject of Dyspopsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must site. While in this coordition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not beneated by any water to which I was taken. While on my may home, I stopped a week at Huthertordeen, a small village in North Carolina, to by the effect of some Chalybesto water in that place. About she last of the week I went into drug store to get some medicine for my child and myself. There were several of the Wilege physicians in the store, and one of them seemed to take some interest in my case, and, after saking me some questions, said he had been if the Hooland's German Bittern," prepared by yea, and he insisted that I would try the Bittern He also called the next day at myrroom, and insisted so, much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by the analysis at directed, and I was more benefited by the third in the water and medicine Find ever taken.

After reaching home, one et my neighbors cause to a vessirption and medicine, (see a syspeptic)

directed, and I was more benefited by it than all the water and medicine I and ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a syspeptic,) and I gave him nearly all the Bitters I had set, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours.

Dr. O. H. Jackson, Philadelphia.
